

Technical Writing Seminar - Advanced Edition (Conducted in English)

4:00 PM – 6:00 PM, Thursday, December 18, 2025

【Target Audience】 Uzushio Scholars, Tokushima University Graduate Students (Master's & Doctoral)

【Style】 **English·Online (Zoom meeting)**

This interactive seminar aims to help you brush up your paper writing skills. Focusing on 10 key points identified by HGC - a company with over 55 years of experience editing English papers - we will address areas where non-native speakers often struggle. Many Japanese researchers find it challenging to know what to revise and how to improve their technical writing.

Join us to gain valuable tips for enhancing your writing skills.
